Subject: Truck Convoy - Update

Evening briefing:

- Crowds increased around noon, with about 300 vehicles on site and 500-700 people (see attached).
- All events are hosted on Memorial and Broadway.
- Small groups of counter protests attended today (Osborne & Broadway). These movements are gaining momentum across the country, including confrontations with these convoys. GREER and KINNARATH are two key organizers in Winnipeg and are blaming police for unsafe conditions on Broadway. KINNARATH posted a video of him confronting WPS - <https://twitter.com/OmarX204/status/1490115475770159110?s=20&t=xvAZL2TuRsaptkDI6D93rQ>.
- Trucks and other vehicles are looping through the area, honking. The area is very loud – <https://www.youtube.com/watch?v=7uwwM4zgKAs>. Some residents in the area are also filing complaints with the city.
- Protective Services are still posted on Assiniboine (Kennedy and Osborne), Broadway entrance, and at the Premier's residence. Assiniboine remains clear at this time.

A briefing/announcement for Leg building occupants and Justice partners is pending, as many are expecting to return to work on Monday. I will include this draft communication in my morning briefing.
